By the House of Delegates,
April 1, 1836.

Gentlemen of the senate,

We have received your message assigning the reasons of your honorable body for the rejection of the resolution requiring the erection of a new Tobacco Warehouse on the Lot No. 3, in the City of Baltimore, and suggesting that a resolution or bill having the same purposes in view, and providing for its accomplishment in a similar manner as is contained in the act passed December session, 1825, chap. 159, sec. 4, or by the issuing of State stock, payable out of the revenue of the Tobacco Warehouses, at the pleasure of the State.

We regret that we cannot accede to the suggestion as thrown out by your honorable body, for the following reasons, to wit:—agreeable to a report adopted by this House at its present session, the amount of funds which have come into the Treasury from inspections of tobacco, amount to upwards of \$35,000 anterior to the session of the legislature
